

DEAR FRIENDS,

I am very excited about everything going on at the Corporate Park. The Meditation Cube should be completed soon. I am so proud of all the men who have worked on it. Another beautiful design we are adding to the corporate park is the glass function room at Il Palio. This will be completed mid-summer and will add so much value to the park. After last summer's popular Happy Hour at the Towers, we have decided to do it again, and add another date. Get ready for some of CT's most popular food trucks and libations from Il Palio's beer and wine tent, plus some great live music. As always summer will kick off with the popular Micalizzi's Italian Ice, the Thursday before Memorial Day, May 21. The basketball league is getting started and the tennis court is ready for reservations. I hope you enjoy the corporate park in the spring and summer as much as I do. I hope to see you out there!
