

## DEAR FRIENDS,

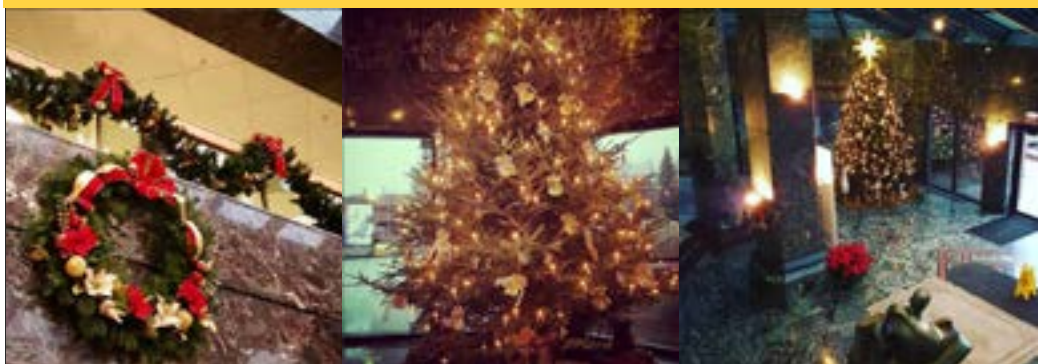

We finally finished the gym to the way we wanted it to look. If you have a moment, head down to Corporate 3 and take a look at what we did. Each year, we try to do something on this campus to make it a little better. We are so proud of the way this looks and functions. Technogym is absolutely the best equipment you can buy for a gym. Recently, the New England Patriots substituted all of their equipment for Technogym equipment. They have a fabulous website that you can visit to see what it is all about - [www.technogym.com](http://www.technogym.com). Please use the gym and stay in good health this New Year.

## TENANT SPOTLIGHT

## THANK YOU

# Amy Zadrozny

We at R.D. Scinto would like to recognize Amy Zadrozny for her dedication and hard work concerning all the decorations at Christmas time. She is also responsible for all the flowers and plants that we have here at our campus. She plants over 7,000 plants each year by herself. She does the design, gets them delivered to her yard, waters them to make sure they are healthy, transports them here, and plants them.

We feel so proud to have such a wonderful person handling what we consider one of the most important aspects of our park. This is the first impression that someone has of your business when they come to visit you.

During the year, I get so many beautiful letters from those who work in the park about how much they enjoy coming to work each the morning and seeing the flowers and decorations. To Amy and her team, we truly appreciate your efforts and we want to recognize you and wish you a happy and healthy New Year.
