

DEAR FRIENDS,

This month, I wanted to share part of a note that I received from an employee of one of our tenants here in the park. We are so grateful for everyone who takes the time to stop in or write to us.

"Hi Bob,

...I wanted to thank you for allowing the Weight Watchers meetings and for the fitness center.... I feel great. I have said thank you before, but want you to know that none of what you and your staff do for us is taken for granted.

It is always a happy moment when I see your name associated with various sponsorships, awards, and scholarships. You are one of the people who truly understands that when one of us benefits and grows, we all have a better society. You are a man of kind benevolence and compassion. It's a pleasure to work here."
