

DEAR FRIENDS,

Happy New Year! As we say goodbye to 2016 and welcome a new year, it is a good opportunity to look back and acknowledge all that we have accomplished and all that we have to be grateful for.

It is also a great time to look forward and set some goals for the new year. We have some great items on our to do list that we hope will bring more value to our tenants.

In the meantime, we hope you have a wonderful holiday season and will have a happy new year.

Bob Scinto

R.D. SCINTO NEWS AND EVENTS

January 1: New Year's Day
January 16: Martin Luther King Day
February 2: Ground Hog Day
February 14: Valentine's Day
February 20: President's Day

Amerilert: R. D. Scinto uses an [Emergency Notification System](#) to inform tenants of any situation that could affect use or access to their offices. In the event of power interruption, loss of HVAC, fire, flood, or police activity, a message is sent to subscribers with information about the event and updates until the situation is resolved. The purpose is to provide timely & factual information to senior management to help in the process of making critical business decisions relating to use of their offices. All tenant senior and HR management are urged to sign-up as soon as possible by emailing security@scinto.com.

TENANT SPOTLIGHT

CooperSurgical was founded in 1990 and signed its first lease with R.D. Scinto (RDS) on Forest Parkway in Shelton in February 1991, for a 25,000 square foot building. By 2001, CooperSurgical had outgrown its home in Shelton and moved to 95 Corporate Drive in Trumbull to a 92,000 square foot building. In 2010, RDS built a new building to be used as CooperSurgical's official headquarters at 75 Corporate Drive, which boasted 64,000 square feet of additional office space. CooperSurgical services over 65% of women's health care providers and is a global leader in the assisted reproductive technology (ART) solutions market. CooperSurgical is committed to continued expansion of its core business through internal development programs and acquisition strategies and ended 2016 with sales in excess of \$380 million. Due to their continued success, CooperSurgical has already outgrown its current distribution center (located at 120 Corporate in Trumbull) and plans to move into another newly 'built by RDS' distribution and office building at 50 Corporate Drive at the start of 2017. This space nearly doubles their current distribution space with 61,000 square feet of warehouse and adds an additional 20,000 square feet of office space, including an 1,800 square foot state-of-the-art laboratory that will be used by CooperSurgical's full-service Research & Development department. Visit CooperSurgical.com for more information.
