

## DEAR FRIENDS,

I always ask tenants when I see them in the elevators or out walking, what can we do to make this park better? It is amazing how many times they tell me that they would love to have a Starbucks nearby. I tried to get them to locate in the park, but they have a company policy that they won't do that.

So I bought the Tetley Tea building, knocked it down, and we now have signed a lease with them to have a free standing store on our corner. The property borders our park, so it will be a part of our Shelton Campus. We estimate that they will be open in the spring of 2018.

Stay connected via email or online by visiting our website, Facebook page, or Instagram account so you always know what is going on.
