

DEAR FRIENDS,

Each year we try to bring a happy spirit of Christmas joy at the park. We have Santa visiting on December 7. You can have your kid's pictures taken with him at no charge. And of course, we decorate everything that is not moving.

This year, I am proud to announce that we are constructing a 15' permeant steel menorah with real gas lamps on Enterprise Drive. I wanted to do something special for our Jewish brothers and sisters to show respect to different religions and faiths. I look forward to seeing the menorah and Christmas tree on the same grounds.

Stay connected via email or online by visiting our website, Facebook page, or Instagram account so you always know what is going on.
