

DEAR FRIENDS,

I hope you enjoyed all the Christmas decorations that we put up in the park over the holidays. We are very proud of Amy Zadrozny, who does all this work mostly by herself. She has been doing this for us for 15 years. Each year, she does a better job than the year before.

I bought a new sculpture that should arrive in January. I may leave it in the create until the weather breaks, because I will need to do some earth work to set it properly. This coming year, we hope to remodel the Executive Conference Room in 1 Corporate Drive. Each year, we try to do something to benefit the park. Wishing you a happy and healthy new year!
