

ENTERPRISE CORPORATE PARK NEWSLETTER

February 2018 | Volume 112- Page 1

DEAR FRIENDS,

I hope your new year is a happy and healthy one so far. I always ask tenants when I ride in the elevators what can I do to make this a better place to come to work. Many of you have said that you would like a Starbucks. I honestly tried to get them to come right here on campus, but it did not work out. So, I bought the old Tetley Tea building, and I am happy to announce that this spring, you will have a Starbucks very close to the Shelton campus. We will also be welcoming three new restaurants to that site. In addition, we are remodeling Il Palio. A brand new beautiful glass sculpture that I bought in Italy will be installed in the entrance.

Stay connected via email or online by visiting our website, Facebook page, or Instagram account so you always know what is going on.

SPOTLIGHT

Logicbroker provides EDI & drop ship technology that unites brands, retailers, and the systems they rely on. Harness the latest in cloud and supply chain automation technology with unrivaled speed and integration flexibility. We craft the connections that enable digital commerce.

"We are thrilled to be a part of the Scinto family in our new Enterprise Drive location. Bob and his team made our move-in experience a smooth transition, and our employees feel fantastic coming into the office each day and enjoy the open space, world-class gym, and gourmet restaurants on campus. The reason we picked this location is that everyone fosters the same culture that we do at Logicbroker."

—Peyman Zamani, CEO at Logicbroker

This fall, we will be holding Connected Commerce, a one-day digital commerce event. Connected Commerce is about uniting brands and retailers while bringing the brightest minds and the best of technology together. The one-day summit will feature thought leadership around scaling digital commerce operations and delivering an exceptional customer experience. There has never been a better time to be involved in digital commerce... Join us to learn, share, and have fun.
