

## DEAR FRIENDS,

The rhino has finally arrived from Italy. So far, the reviews have been outstanding. We still have some landscaping to do, but I think the setting is going to be gorgeous. We are holding a contest to name the rhino. The winner will get a dinner for two at Il Palio. Look for an email that will explain the contest details. If you do not receive our emails, sign up by going to [Scinto.com](http://Scinto.com) and entering your email address into the box at the bottom of any page.

Construction on the site at the corner of Commerce and Bridgeport Avenues is going well. We hope to open late spring/early summer.

Stay connected via email or online by visiting our website, Facebook page, or Instagram account so you always know what is going on.
