

DEAR FRIENDS,

I would like to remind everyone that I have arranged for free flu shots for all my tenants. All you need to do speak to your company representative who will register you with us. That will give you an opportunity to go to the walk-in medical facility we have here on campus. Think of it as a school nurse's office for any medical needs that might arise during the business day.

We are coming into the Christmas season and I look forward to the decorations and the lighting of the Christmas tree and the menorah. Please remember that Santa is coming to Corporates 1 with our horse and wagon for the kids to take a ride. Once again, we will be collecting toys for kids. Have a great Thanksgiving and please let's pray for no snow.

Bob Scinto

R.D. SCINTO NEWS AND EVENTS

- November 12:** Veterans Day
- November 22:** Thansgiving
- December 10-14:** Scinto Vendor Fair
- December 24:** Christmas Eve
- December 25:** Christmas
- December 31:** New Year's Eve

Amerilert: In the event of an emergency, R. D. Scinto uses an **Emergency Notification System** to notify tenants of an emergency that could affect use of or access to their facilities. Events such as extended power outages, loss of HVAC, fire, flood, or police activity. We provide timely and factual information updates vital to making business continuity decisions. If you are a Senior Manager, HR Manager, or responsible for such decisions, we urge you to sign up now.

SEND AN EMAIL TO security@scinto.com TO RECEIVE THE (3MINUTE) SIGN-UP INFORMATION.

**If you do not already receive our emails, sign up for email updates on our website or by sending an email to newsletter@scinto.com that says "sign me up!"*

TENANT SPOTLIGHT

Looking to join a company of highly motivated, team-oriented individuals? Want to be a part of one of the fastest growing startups' in the industry? Come join one of the hottest names in the fintech space right in your backyard!

As a third year start up, RightCapital is looking to change the way advisors create and deliver financial plans to their clients. We've seen rapid growth over the last three years, growing from a team of 3 to 30 people. We moved from a small, one room space in Tower 4, to a location in Enterprise Drive almost three times the size, and we are almost at capacity. In fact, we are the fastest growing tenant in all of R.D. Scinto's properties!

We think this is because we have a great product, with great people to help improve, sell, support, and promote it and we are looking for a few more key team members. We have a work hard, play hard environment with a ton of growth opportunity, flexible/unlimited PTO, health insurance, and 401k available to all employees. Plus, everyone's opinion matters, and everyone contributes to the overall goal of success.

If you or someone you know are interested in learning more about RightCapital, check out our website www.rightcapital.com or our LinkedIn profile for open positions.

Attention Drivers!

Please use caution when driving around RD Scinto buildings. Tenants regularly walk on or near campus and in the garages before, during, and after business hours. Please slow down when driving on our private roadways and watch for pedestrians on the sidewalks. Remember to give pedestrians the right-of-way.

Open Access Colonoscopy Program

Colonoscopies are easy to postpone, but screening is important. Colon cancer is the second-leading cause of cancer deaths, but it's easily preventable through early detection. For adults age 50 and older, screening is essential. Because it's that important, we made it easy.

- Bypass a pre-procedure office visit to the physician
- Conveniently located with ample parking at 112 Quarry Road, Trumbull CT
- Colonoscopy is performed by a highly qualified, board certified gastroenterologist

CONVENIENT • HASSLE-FREE NO PRE-PROCEDURE DR VISIT

Surgery Center of Fairfield County's Open Access Program makes screening colonoscopies convenient. Stop postponing; call the center directly today to get scheduled.
