

DEAR FRIENDS,

I would like to thank everyone who has taken advantage of my offer to get a free flu shot. So far we have had over 1000 people and I hope to get as many as possible before the end of the year. You can register for a flu shot by speaking to your company representative who will send us a list. We will send you back instructions. It also gives you a wonderful opportunity to find out more about the Yale Hospital walk-in medical clinic that we have here on campus. They offer a wide variety of services that you should become familiar with.

Healthy buildings are important to us, but healthy tenants are more important.

I wish you a healthy Merry Christmas and a Happy New Year. God bless,

Bob Scinto
