

DEAR FRIENDS,

This We have completed the remodeling of our auditorium and had our intro meeting to the tenants this past month. It was a very successful meeting and tenants have begun to use the facility more often. It is so tenant-friendly that it really is an asset to your marketing division in your company.

Spotted Horse has opened their outdoor eating area and Starbucks is the second busiest location in the state. As I told you in the past, the one thing that all my tenants said to me when I asked what I can do better is to get a Starbucks. I am so happy we have finally accomplished that.

We have started Italian Ices on Thursdays and our Happy Hour At The Towers will be held on Thursday, June 20. I hope you can join us at both.
