

DEAR FRIENDS,

Gaetanos will be opening this month in the lower level of the CX Plaza. They are located next to 99 Bottles, which is a great liquor store with a great selection of wine. Gaetanos has a reputation of being the best Italian import deli in Connecticut. A lot of what they serve comes right from Arthur Ave in the Bronx. I think they are a great addition to the campus. I hope you find them and see what I am talking about.

The CX Plaza has been a great amenity to our Shelton complex. The Starbucks is the second busiest in CT. Spotted Horse offers a sophisticated and urban experience. Please try to visit all of these establishments at CX Plaza because we developed this shopping center as an amenity for you.

Spring is right around the corner and soon we will be planting flowers.

TENANT SPOTLIGHT - MASSAGE ENVY

Massage Envy has a lot of opportunity for partnerships and corporate discounts within our community! We would love to extend that offer to you.

What We Offer: Month to Month

All massage sessions are completely customizable to the client's needs. But it doesn't stop there! Massage Envy offers Total Body Stretch sessions, Rapid Tension Relief sessions and enhancements and an endless amount of advanced skin care services including Chemical Exfoliation, Microderm Infusions, Jan Marini Customized Facials, Obagi Customized Facials and Back Facials!

Corporate Discount: Month to Month OR Paid in Full

Here is what we can offer all SCINTO employees! Rather than the normal \$70 monthly fee, we can offer you the \$65 per month corporate rate for 12 months! With this, you receive benefits and discounts. Along with the monthly discount, your enrollment fee for the membership, normally \$60, will be waived!

The other option we have available is the Paid in Full option rather than the month to month option. Normally this is \$840 for the year. However, with the corporate discount, you can receive the paid in full option for \$780! This gives you all 12 1-hour services upfront!

If there are currently individuals within this group that are already Massage Envy members, we would be more than happy to honor these rates for them as well. Here at Massage Envy, we look forward to growing within the community and encouraging wellness to everyone!

Along with the Corporate discount, sign up before April 1st and receive a Free Enhancement and a 30-minute upgrade with your first service!

**Do you have any symptoms
of vein disease?**

If you're experiencing swollen, aching legs, throbbing, cramping, "tired" legs, burning, itching, tenderness, or restless legs at night, you may have vein disease — even if you can't see rope-like bulging varicose veins on your skin.

**We want you to have healthier,
better-looking legs.**

Vein Institute specializes in the latest medical innovations for quick, non-surgical, non-invasive relief of vein disease — usually with no pain, scarring, or downtime.

Vein Institute offers the quality care that all patients deserve in an office environment that feels like home.
