

DEAR FRIENDS,

Winston Churchill famously said, "Now this is not the end. It is not even the beginning of the end. But it is, perhaps, the end of the beginning."

We are currently someplace in this quote. What we need to remember is each day we are one day closer to being out of it.

The Spanish Flu killed 50 million people and fortunately we are not dealing with that type of problem. We need to be optimistic. Soon we will be back to work.

TENANT SPOTLIGHT

For those that may be unfamiliar with us, we are **Gaetano's Deli**, an Arthur Avenue Style deli from the Bronx that's been in Connecticut for over 20 years. At the beginning of 2020, we were recognized by Food Network as the best deli in Connecticut! Although we have received other awards and accolades in the past, this one is very special to us. A celebration was planned in conjunction with Shelton's grand opening...but as we all know things are unpredictable.

Our first day in Shelton was March 9th, we had a fabulous first week! We loved meeting so many people that came from the Scinto Towers to welcome us at our new location. That following week, Connecticut was overwhelmed with Covid19 cases, leading everyone into quarantine. It was a drastic change for us, from being so excited to be opened, to fearing what the future held.

However, we prevailed! In a matter of a few weeks people started to venture out again wearing masks and doing the social distancing thing. Once again, we are back to serving the wonderful people that work within the Scinto Community and the people near and around Shelton. We are especially happy to be back with our great neighbors in the **CX Plaza**! During our first week, Massage Envy gave out free chair massages to our customers who loved it. Often people that come in to pick up a meal for dinner venture next door to Ninety9Bottles to pick up a beverage to go with it. We are so happy that everyone is back in the plaza and we look forward to strengthening our bonds as a community in the future.

Last but not least, we would like to thank Bob Scinto, who has been so helpful during this process. He genuinely cares about his tenants and we enjoy getting to know him, along with the types of meats and cheeses he and his family like. We know that eventually everyone will get back to work, and we look forward to getting to know all of you as well as catering to their lunch needs and office parties!
