

DEAR FRIENDS,

We are still all in this together. People are starting to return to the offices and with the vaccine being distributed, there is hope that this will soon be behind us.

If you have not had a chance to stop into Sugar Rush yet, stop by soon. They are located in our newest shopping center on Bridgeport Ave in Shelton along with Strong Start.

We are looking forward to seeing the campus busy again. Stay in touch and we hope you are having a happy new year.

Bob Scinto

Sugar Rush USA Revolutionizing Future of Dessert through Science, Technology, and Culinary Arts

The company combines quick-freeze all-natural ingredients with food grade liquid nitrogen for the most innovative and tasty ice cream in the world.

A brand new company, Sugar Rush USA, is revolutionizing the future of delicious desserts through the combination of science, technology, and culinary arts.

What truly sets Sugar Rush USA apart from other ice cream shops is that it uses liquid nitrogen in its soon-to-be-famous ice cream. The shop's ice cream is made using a premium cream base which is then flash frozen with food-grade liquid nitrogen to instantly create a perfect scoop, every single time. Toppings are then added, and the luxury dessert is ready to be served.

"At Sugar Rush USA, every hour is rush hour and we couldn't be more excited about the recent launch of our brand," says both founders of Sugar Rush USA, Ali & Flamur Nasufi. "As ice cream lovers ourselves, we wanted to incorporate some of the things we are passionate about, such as science, technology, and of course ice cream, to create exciting dessert experiences for our patrons. Our broad menu has a little something for everyone and if there's one thing you can be sure of, it's that we sugar coat everything!"

On its extensive menu, Sugar Rush USA is shaking up their customer's day with a wide array of enticing and delectable desserts, including:

- Nitrogen infused ice cream in a variety of flavors
- Regular ice cream in many flavors
- Crazy cookies
- Soft-serve ice cream
- Shakes
- Extensive toppings to choose from
- * Beverages
- * Stuffed donuts
- * French crepes
- * Cereal
- * And more!

**Sugar Rush USA's brick-and-mortar location is located at
901 Bridgeport Ave STE 107, Shelton, CT 06484**
