Corporate Campus Newsletter
"Whatever it Takes. 24/7/365"

Dear Friends,

Over the Christmas weekend, we had a great tenant named Turner Construction move into Corporate 6. We also have two new law firms from Bridgeport that have moved up into the complex. Fountain Square had Chick-fil-A open to great success, and they are doing very well, which I am very grateful for. That type of retail adjacent to our park allows our tenants more options.

During the Thanksgiving vacation, I was in Florence, Italy, and saw a fabulous Christmas display hanging between the streets. We are going to bring that display to our towers this year. Also, this year we will revamp our Halloween exhibit to allow a walking path through the circle, to make it more enjoyable for children and with less traffic. This past Halloween, we had the queue back up to Bridgeport Avenue, so we need to improve that experience.

Happy New Year, and wishing you great health this upcoming year!

**All the best,
Bob**
